**4**

Send your commitment message – read the pre-written message, answer the questions and submit

**5**

Upload your photo. You won't be able to become a2a member until you have uploaded your photo and it has been approved. Approval usually takes 1-2 days.

By adding your photo, your new affiliates can be greeted by not just your name but also a friendly face...YOURS! Your picture personalizes SFI for your new affiliates and lets them know that their sponsor is a real person. Hence, we *strongly encourage* all affiliates to add their photos to their accounts. Do NOT upload copyrighted material, celebrity photos, pictures of other people, etc. The point is to get YOUR face in front of your affiliates. And it's simple and easy, just follow the steps below.
