

IMPORTANT:

If you want your SFI business to succeed you have to do a few things. Not all need to be done every day, **BUT** **one thing you have to do EVERY DAY is your Daily To-Do List.**

It really is not difficult and takes about 20 minutes. At the same time you are learning a lot and earning VP's! When you log in to your SFI account, you'll see these tabs:

All of them are red except for the Alerts & WinIt Tabs. As soon as you've done everything on each of these tabs the red disappears (until the next day 😊)

ALERTS tab:

On the Alerts tab you will find links to the latest news and everything SFI wants you to know about. There are links to the latest Forum posts as well.

Once you've read everything on the page, scroll down to the bottom you'll see this :

I have reviewed the above. Award me an extra DG entry.

You will see this at the bottom of every page from To-Do List right through to Growth tab:

Read the page and then click on the blue button.

Once you've clicked on it you'll see this :

Do this on every red tab. Once all the red tabs are gray, you've earned your VP's from them for the day.

GOALS Tab:

On the Goals Tab you have to enter your daily goal before clicking on the button "Submit today's goal tasks"

IMPORTANT : On the ASK SC page you have to scroll down until you see a button that says "Start rating today's answers". Click on this button and you will be presented with a question and an answer. Read it and then vote by clicking on either the Yes or No button. There are 10 questions & answers and once you've done them all you'll get a message that says you are finished and have received your VP.

SURVEY RESPONSES

When you click on the Survey Responses link you'll go to this page:

The screenshot shows the TripleClicks website interface. At the top, there is a navigation menu with links: Home, Hot Spots, Income, Marketing, Reference, Training, Power Tools, Leaders, Misc, Support, My Account, and TripleClicks. The main content area features a blue header with the text "HELP US CREATE OUR NEXT GAME!" and a cartoon zebra illustration. Below this, a text block explains the survey's purpose: "Help us build the next great Eager Zebra game by submitting answers to surveys that will be used in upcoming games! Plus, earn 1 AVP (Action VersaPoint) each day if you complete 20 surveys." An "IMPORTANT:" section lists three instructions: 1. Do NOT complete surveys if you are not going to take them seriously. 2. There is a 7-second delay for each survey question. 3. Remember that we are looking only for your OPINION. Below the instructions is a blue button that says "I agree to submit only valid answers".

At the bottom of the page, there is a footer section with several columns: "YOUR STORE" with the TripleClicks logo, "SAFE & SECURE" with a GeoTrust logo, "SUPPORT" with links to Support/Help, 24-hour Knowledge Base, Contact Your Sponsor/Upline, and Contact Us, and "TRANSLATE" with a language selection dropdown. A testimonial section titled "What others are saying about SFI" includes a photo of a woman and a quote from V. Patrick. A blue button labeled "PLAY!" is located in the bottom right corner of the footer area.

Once you click the blue button you'll go to Question 1 – As you can see it's multiple choice and all you have to do is pick your answer.

Help us build the next great Eager Zebra game by submitting answers to surveys that will be used in upcoming games! Plus, earn 1 AVP (Action VersaPoint) each day if you complete 20 surveys.

Which of the following would you be least likely to do?

SUBMIT ANSWER

There are 20 questions. Once you've answered all of them you'll get a message to say you are finished.

For checking out the latest items at TripleClicks

When you click on this link it takes you to the TripleClicks website. There you'll see the latest offerings. You don't have to do anything else. You'll get your VP for clicking the link. You can take part in the free T-Time though (See Important notice)

You'll also see these tabs:

By clicking on them you can see Deals, Products, Play Games, Bid on Auctions etc.

I suggest you click around and get to know each tab.

IMPORTANT: Click on GAMES and then go down to T-Time. Click on the product and you'll see a timer counting down from 20 seconds. Once it says "ENTER NOW" click on it. This gives you a chance to win free TCredits. You can enter once every hour.

THAT'S IT! Once you've finished all that and you don't have any more red tabs – your daily to-do list is DONE!

Only one thing remains :

Click on the WinIt Tab.
